**Port Colborne** – Established in 1892, Niagara Falls is shared by both Ontario and New York, each laying claim to half of this area. Three waterfalls- Horseshoe Falls, the American Falls, and the Bridal Veil Falls – comprise Niagara Falls, which stand 165-ft tall. The main activity in the area is stopping at the falls themselves, but this is by no means the only thing to do here. Explore the Queen Street Arts & Culture District for a bit of local flavor. Here you will find art galleries, antique shops, and coffee shops in renovated- historic buildings.
