(In case of emergency)

Underway to Sault Ste. Marie – Lake Huron is the second largest Great Lake by surface area and the fifth largest freshwater lake in the world. It has the longest shoreline of the Great Lakes, counting the shorelines of its 30,000 islands. Manitoulin Island is the largest freshwater island in the world. Georgian Bay and Saginaw Bay are the two largest bays on the Great Lakes. Early Explorers listed Georgian Bay as a separate sixth lake because it is nearly separated from the rest of Lake Huron by Manitoulin Island and the Bruce Peninsula.

MEET YOUR OFFICERS

Chief Officer – Rafael Guevera

From Panama, Rafael joined the *Pearl Mist* in 2016 as Second Officer and worked his way up through the chain of command to Safety Officer and now Chief Officer. He started his marine career in 2009 aboard cargo ships. When not on the *Pearl Mist*, Rafael works on expedition ships in Antarctica and his favorite penguin is the King Penguin. Before joining ships, he was a semi-professional baseball player – right fielder. Rafael enjoys woodworking and eating sushi.
