Please note that arrival and departure times as well as ports of call and land experiences are subject to change. American Cruise Lines makes every effort to maintain our schedule, however, circumstances such as weather, channel conditions, availability of docks, operation of locks, "animal traffic jams" in National Parks, or any other reason may cause a change to this itinerary. This is the nature of small ship cruising and curated land packages and we appreciate your patience. We encourage you to revisit this page often and before traveling to the ship for the most up-to-date information.
